

# Red Wines

With the growing of Cabernet Sauvignon and after the success of our "Tutti per Uno", we started a new project with the marriage of our queen, the Barbera, and the Cabernet, but in this selection the prevalence goes to the prestigious international vine. In the Tutti per Uno Spadarossa the Cabernet and the best selection of our Barbera give birth to a new and unique wine. It is ruby red with light purple glints, its spicy scent has mature fruit notes. In the mouth it is dry, smooth and robust with light and sweet tannins. The aging in barriques for 12 months gives to the Spadarossa a complex and elegant boisé.
