

# Bag in Box

In the wide range of Barbera wines of our region, this DOC wine is the simplest one, the friend that should be moderately paired with everyday meals. Produced with the same grapes - which are only from the Barbera variety - the Piemonte Barbera has a bright ruby red colour, with a fresh and fruity scent and a pleasant acidulous taste, sapid and enjoyable.

## Le Tane

- Piemonte DOC Barbera - 10 l •
